**5:30 pm**

---

A partnership of Boys & Girls Club of Geneva, the City of Geneva, Foodlink, Ontario County, the United Way and Wellspring Food Distribution Center to supply households with food during the COVID-19 pandemic crisis.

- Food boxes are distributed on a first come first serve basis. The distribution site may be closed down before the scheduled end time if the food runs out.
- This will be a drive-thru, no contact model; stay in car and give your name and the number in your household to the volunteers when they approach your car.
- Please have trunk cleaned out so the boxes of food can be put into it. Once your trunk is closed and tapped, you may drive away. This will be a no-touch distribution and proper social distancing must be maintained at all time.

**Distributions are subject to be changed or cancelled**
